Honorable Commissioner of Patents  
and Trademarks,  
Washington, D.C. 20231.

Dear Sir,

**SECOND INFORMATION DISCLOSURE STATEMENT**

An Information Disclosure Statement with PTO-1449 listing references AL, AM and AR through AAA was filed on September 30th, 1994 along with the application papers.

Attached is a further Form PTO 1449 listing a further reference, designated AAB, a copy of that reference, a copy of an international search report which issued in a PCT application number PCT/GB 94/02054, and a copy of a U.K. search report issued in U.K. application number 9419139.2.

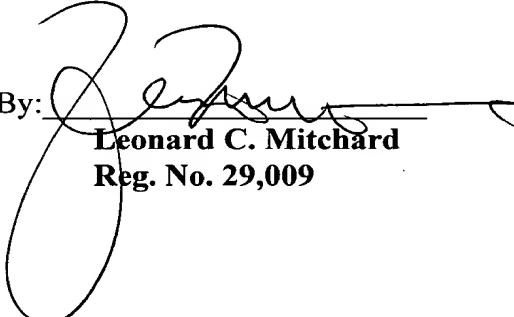

The PCT and U.K. applications to which these search reports relate claim priority from U.K. patent applications 9320132.5 and 9414192.6, two of the dates claimed in the present U.S.

BARRIE et al  
Serial No. 08/315,882

application. Their subject matter corresponds approximately to claim 26 of the present application. The PCT and U.K. patent applications cited in the search report are the PCT application from which the present application claims priority and its U.K. counterpart.

The examiner is requested to initial the attached PTO Form 1449 and return a copy of the initialled document to the undersigned as an indication that the additional reference has been considered and made of record.

Respectfully submitted  
**NIXON & VANDERHYE P.C.**
